Note

- The acceptance of the application does not guarantee an admission to the school. The decision of the selection committee shall be final and binding on the applicant.
- The school caters to ALL communities without bias.
- On account of inadequate good quality schools, the number of applications that we receive is well in excess of the number of children that we can admit. This therefore, results in disappointment to all who cannot be admitted. While we do understand your concern as a parent, we trust you will appreciate our constraints if your child is not admitted. After announcement of admission (as all seats would be filled up), it would not help to seek an appointment to put forward your case for special consideration. Your co-operation and understanding would be appreciated.
- The decision of the management will be final.
- All notifications regarding your child's admission will be done by default on mobile and email id given in the application form.

Instructions

- Please stick the I card size photo of the student in the given space and submit the duly filled printout of the same form, duly signed, at the School Reception.
- A sum of Rs. 590/- must be paid while submitting the printout of the Admission Form.
